

REMARKS

The claims are amended to delete multiple dependency and to have the claims read in idiomatic English.

The specification, on pages 7, 21, and 33 are amended to correct certain clerical errors.

No new matter is believed to have been introduced in the claims or the specification, and the changes are fully supported by the specification as originally filed.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
